aid the Committee in its deliberations. The motion was seconded and passed.

Reconvene:

Ms. Swain moved that the Committee certify that it heard, discussed or considered only public business matters lawfully exempted from open meeting requirements under the Virginia Freedom of Information Act and only such public business matters as were identified in the motion by which the closed meeting was convened. The motion was seconded and passed.

**DECISION:
Case No.: 148819**

Ms. Toliver reported that the Committee found Ms. Adams did not meet the requirements for Registration to Practice as a Dental Assistant II by Endorsement in that she does not hold a credential, registration, or certificate with qualifications substantially equivalent in hours of instruction and course content to those set forth in 18VAC60-20-61 of the Regulations Governing Dental Practice nor could she document experience in the restorative and prosthetic expanded duties for at least 24 of the past 48 months preceding her application, as required by 18VAC60-20-72(A)(3) of the Regulations.

The Committee also found that Ms. Adams did not meet the requirements of 18VAC60-20-61(B) of the Regulations Governing Dental Practice in that she did not complete an educational program that was substantially equivalent in hours of instruction and course content to document completion of 50 hours of didactic coursework in dental anatomy and operative dentistry; 40 hours of laboratory training in amalgam restorations; 60 hours of laboratory training in composite resin restorations; 80 hours of clinical experience in performing amalgam restorations; and 120 hours of clinical experience in performing composite resin restorations.

The Committee further found that in the alternative to the requirement of substantial equivalency, Ms. Adams failed to document experience in the restorative and prosthetic expanded duties for at least 24 of the past 48 months preceding her Application for Registration to Practice as a Dental Assistant II as set forth in 18VAC60-20-230 of the Regulations Governing Dental Practice.

The Committee agreed to recommend to the Board that Ms. Adams' Application for Registration to Practice as a Dental Assistant II by Endorsement in the Commonwealth of Virginia be denied.
